- Focus on learning and achieving their goals.

## Our E-Learning Consultancy

Navigating the world of e-learning platforms and methodologies can be overwhelming. At Kabod Group, we're your expert guides. Drawing from partnerships with global brands and practical experience, we help you find the best approach for your unique needs. We consider your learning goals, target audience, localization requirements, budgets, and timelines to deliver success.

## Affordable eLearning Within Your Reach

Gone are the days when online learning solutions were only accessible to big enterprises. With Kabod, high-quality eLearning is now affordable for small businesses and individuals too. Kabod understands that tight budgets shouldn't limit your learning and development goals. That's why we have designed flexible plans tailored for organisations of all scales.

Our Basic plan offers all the essential features to set up online courses and track learner progress - at a fraction of typical industry prices. Our Pro plan unlocks advanced customization options. Create role-based learning paths, deploy mobile-friendly courses, assess learning with quizzes and more. Our scalable Enterprise plan removes any barriers to large-scale eLearning adoption. Build a complete LMS, integrate SSO, and get admins tools - all at rates 50% lower than competitors.
